Crystal Reports Clients / Experience

Hotel Chain Client
Business Objects Developer

- Imported the databases from MS Access and SQL Server.
- Analyzed the existing database and Designed Universe by using BO Designer Module.
- Created Classes, Dimensions objects, Measure objects and Detail objects in the universe.
- Created different types of join between the tables and Detected Cardinality.
- Linked Universe with the existing Universes by using Universe parameters.
- Prepared different report layouts and blocks like Tables, Cross Tabs and Charts
- Developed various AdHoc and Canned reports using Business Objects using Business Objects as the Universe as the Main Data Provider.
- Performed analysis of data at the report level by Slice/Dice and Drill Mode
- Created Alerter using Business Objects to highlight columns based on the business criteria
- Worked extensively with features of BO like Ranks, Sorts, Filters, Breaks
- Created and Published Reports through Web Intelligence

Communications Client
Report / BO Developer

- Designed Universe using Business Objects.
- Created Classes and deferent types of objects and Detail objects in the universe.
- Used Business Objects 6.5 to create reports for marketing and finance departments
- Performed analysis of data at the report level by Slice/Dice and Drill Mode.
- Made intermediate to advanced reports with and without cross tabs, including Prompts, Charts, Alerter, Rankings and various calculations

- Assisted developers with creating universes

Financial Institution Client
Marketing Consultant

- Made hundreds of courtesy visits monthly on behalf of the client to it's merchants in over 55 zip codes within the Tri-State.
- During each visit, after quickly making mini-presentation to each merchant successfully, distributed Point-of-Purchase materials and placed decals in merchants' display-thus helped achieving the client's mission "To be the world's most respected service brand."
- Also worked on several cities visiting, auditing and distributing the client's promotion.
