Senior Lawson Developer – Cendien – Lawson Experts

Lawson Professional Services

I have nine years of management experience and eleven years of consulting experience. As a manager, I was responsible for supervising day-to-day departmental operations, preparing and delivering written and oral presentations, implementing an automated payroll system, and hiring and training employees. As a consultant, I have been utilizing my accounting experience and analytical abilities as well as training, documentation and presentation skills to help clients implement Human Resource information systems. I have managed projects of various sizes and degrees of difficulty.
